For more information, call 888-261-4567.

Did You Know?

• Cut your utility bills

Freezers that have earned the ENERGY STAR are at least 10 percent more energy efficient than the minimum federal standard.

• The older the freezer, the higher your bills

An estimated 35 million freezers are currently in use in the United States. Over 16 million of these freezers are more than ten years old. Replacing your old freezer with one that has earned the ENERGY STAR could save you \$175 over the next five years.

Appalachian Power \$25 Rebate

Get \$25 back from Appalachian Power on your purchase of a current ENERGY STAR certified freezer. This rebate is good for purchases made 1/1/20 through 12/31/21. Limit one rebate per residential electric account per calendar year. Funding for this program is limited.

*Homes must have electric heat in order to qualify for rebates on energy efficient home improvements.

Please include a copy of your dated sales receipt and/or invoice from a participating retailer showing the manufacturer, model number and price of the ENERGY STAR certified freezer purchased. Incomplete information will delay or disqualify your rebate. All rebate requests must be postmarked no later than January 15, 2022. Please allow up to eight weeks for rebate processing. Some limitations may apply. For more information, call 888-261-4567 or email takecharge@clearesult.com.
