

# \$50 REBATE

## On ENERGY STAR® Certified SMART THERMOSTAT

For purchases made 1/1/22 - 12/31/23

### REBATE REQUIREMENTS

- You are an Appalachian Power residential customer.
- Your residential Appalachian Power account is for an address in the state of West Virginia.
- You purchased a current ENERGY STAR certified smart thermostat between 1/1/22 - 12/31/23.
- You have not submitted another Appalachian Power smart thermostat rebate within the calendar year or the Appalachian Power Home Performance Program. *(Each customer is limited to one smart thermostat rebate per calendar year.)*
- Application must be submitted within 45 days from purchase date or by January 15 of the following calendar year, whichever comes first.

Does your home score a perfect 10?

TAKE CHARGE™

# Appalachian Power \$50 Rebate

Get \$50 back from Appalachian Power on your purchase of a current ENERGY STAR certified smart thermostat. This rebate is good for purchases made 1/1/22 through 12/31/23. Limit one rebate per residential electric account per calendar year. Funding for this program is limited.

Please include a copy of your dated sales receipt and/or invoice from a participating retailer showing the manufacturer, model number and price of the ENERGY STAR certified smart thermostats purchased. Incomplete information will delay or disqualify your rebate. All rebate requests must be postmarked no later than January 15 of the year following your purchase. Please allow up to eight (8) weeks for rebate processing. Some limitations may apply. For more information, call 888-261-4567 or email [takecharge@clearesult.com](mailto:takecharge@clearesult.com).

## Did You Know?

ENERGY STAR certified smart thermostats are also designed to be compatible with the programs that some local utilities offer, providing homeowners in their service territory with incentives to help them manage reliability.

Only thermostats that have earned the ENERGY STAR certification deliver what you expect from a smart thermostat, including: demonstrated energy savings and environmental benefits as well as reliable performance and convenience, insight and control.
