TAKE CHARGE™

Appalachian Power \$50 Rebate

Get \$50 back from Appalachian Power on your purchase of a current ENERGY STAR certified smart thermostat. This rebate is good for purchases made 1/1/20 through 12/31/21. Limit one rebate per residential electric account per calendar year. Funding for this program is limited.

**Homes must have electric heat in order to qualify for rebates on energy efficient home improvements.*

Please include a copy of your dated sales receipt and/or invoice from a participating retailer showing the manufacturer, model number and price of the ENERGY STAR certified smart thermostat purchased. Incomplete information will delay or disqualify your rebate. All rebate requests must be postmarked no later than January 15, 2022. Please allow up to eight weeks for rebate processing. Some limitations may apply. For more information, call 888-261-4567 or email takecharge@clearResult.com.

Did You Know?

ENERGY STAR certified smart thermostats are also designed to be compatible with the programs that some local utilities offer, providing homeowners in their service territory with incentives to help them manage reliability.

Only thermostats that have earned the ENERGY STAR deliver what you expect from a smart thermostat, including: demonstrated energy savings and environmental benefits as well as reliable performance and convenience, insight and control.
